

Our History

Pet City Mt. Gravatt has been providing an invaluable service to pet owners for over 55 years. Pet City Mt. Gravatt began in 1957 as Mt Gravatt Produce Agency.

In those days the area was predominantly rural. By the early 70's the area had changed considerably and at this time the name Pet City Mt. Gravatt was adopted. Changes in the area meant more families and therefore more pets and the thrust of the business changed to emphasise the need for pet requirements.

During the eighties and nineties other aspects of the old produce business were phased out and Pet City Mt. Gravatt became a totally pet oriented store, catering to all facets of pets and pet care. Pet City Mt. Gravatt is now one of the longest standing private businesses in the area and has been family owned since its inception.

The store has pioneered the concept of a complete pet care centre and the practice of employing specialist staff for each section. With over 40 staff in specific areas, Pet City Mt. Gravatt is able to provide all customers with expert knowledge and advice in all areas of pet care.

A multi award winner in the pet industry, Pet City Mt. Gravatt carries a huge range of pet products rarely found in one store and is also a fully accredited member of PIAA (The Pet Industry Association of Australia).

Pet City Mt. Gravatt is a complete pet department store and has been leading the way in pet responsibility. The store incorporates live animals for sale in every section – Puppies & Kittens, Aquarium (Marine, Freshwater & Pond Care), Birds, Reptiles & Unusual Pets (such as Macro Bugs, Spiders & Scorpions just to name a few), Guinea Pigs and Mice. So come visit us today and become part of our family!
