Superior nutrition

Jenco's 16% Coarse Layer Mash is a perfectly balanced premium feed for your hens, consisting of an optimum blend of five different grains combined with vegetarian protein sources and added vitamin and minerals.

To enhance egg production, Jenco 16% Coarse Layer Mash has a higher protein content than standard layer mashes. We also add:

- A natural active enzyme that is proven to boost overall health, digestion and metabolism
- Extra calcium and limestone to help strengthen the egg shell
- Vitamin E to enhance the immune system.

The mash is naturally sweetened with molasses and vegetable oils, which gives it a beautiful fresh sheen and great palatable taste.

All natural

All our products are 100% natural vegetarian feeds that are free from Restricted Animal Material (RAM*), medication, antibiotics, hormones, artificial colours and flavourings.

Quality guarantee

In making this product we source only the very best grains and use strict quality control procedures to remove all impurities to ensure a superior quality nutritious feed every time.
