JOKE9

Q: Why don't fish like basketball?

A: Cause they're afraid of the net

**Q: How do you make an Octopus
laugh?**

A: With ten-tickles

**Q: How do fish always know how
much they weigh?**

**A: Because they have their own
scales.**

**Q: What do you call
a fish with no
eyes?**

A: A fsh!

THE

FACTS RIGHT

ABOUT PET CARE

Goldfish require a large tank to swim and be happy in.

The popular cartoon goldfish bowls you see on TV and in comics are actually really bad for them.

Could you imagine being stuck in your room all day with the windows closed?

To learn more about goldfish speak with our Aquarium Team.
